

Your privacy is important to us. You always have the right to know what personal information we have collected from you across our website DigitalQualitySolutions.dk as well as other sites we own and operate. Furthermore you have the right to have all of the data deleted at your request.

This website is owned and managed by:
BSA Project & Change Management ApS
Lykkesholms Alle 26, 3.th. DK-1902 Frederiksberg C
Contact: Bo Steen-Andersen
Tel. +45 9392 2275

We may ask for personal information, such as your name, email, phone number and work address. This data is considered "identifying information" as it can personally identify you.

We only request this information when you interact with our services – like you requesting we contact you, signing up for an account, making use of our platform features, paying for access, or subscribing to our newsletter. We only use collected personal information in the context of providing or improving these services and never transfer or sell it to third parties.

We only retain personal information and business data for as long as necessary to provide a service, or to improve our services in the future. We have taken technical and organizational measures against the fact that your information is accidentally or illegally deleted, published, lost, impaired or comes to the knowledge of a 3rd person, misused or otherwise treated in violation of the law.

When you visit our website, our servers may automatically log the standard data provided by your web browser. It may include your computer's Internet Protocol (IP) address, your browser type and version, the pages you visit, the time and date of your visit, the time spent on each page, and other details.

The personal information we collect is stored and processed in Europe, or where we, our partners, affiliates and third-party providers maintain facilities.

Our website may link to external sites that are not operated by us. Please be aware that we have no control over the content and policies of those sites, and cannot accept responsibility or liability for their respective privacy practices.
